'Necks Capture 16th Straight Literary Crown

Four Advance to State, Two finish Third in Meet

U.I.L. participants found themselves once again competing against determined and experienced opponents as they strived to win the U.I.L. Literary Championship for the sixteenth consecutive year. Students accepted the challenge put before them as they sacrificed their time and energy, beginning with six weeks of delayed lunches and extra overtime.

On March 30, all speaking events were held for the District meet at Tyler Junior College. White Oak was unbelievably overpowered by front runners, Mineola, as speakers mustered up a mere total of 40 points. The task was acknowledged and the challenge accepted as the next day's events were needed to clinch the title.

Math and journalism events were held the next day along with various other events and White Oak added 105 points to the eventual final tally. The One-Act Play, Science, and Ready Writing were scheduled for the final afternoon of competition. Points were vital in all events to assure a victory. A total of 30 points were awarded in Science and Ready Writing and the One-Act Play was left with the championship virtually in their hands. The play received third place and placed two people on the All-Star cast to crop the overall championship and surpass Mineola by a slim and breathtaking 24 points. With a final tally of 207 points, the U.I.L. literary students had once again proven to be the best of all the rest.

Competing for honors in the Regional meet held in Commerce (pictured at bottom) were: Kim Carter, Kelli Kirkland, Chuck Hope and Gene Torres, debate; Susan Capps, informative speaking; Lisa Vickery, prose and spelling; Lisa Jones, Renee Bennett, and Brad Crittenden, journalism; Lisa Jones, ready writing; Brad Crittenden, science; Karen Boyett, typing; Lori Barnes and Beth Moyers, shorthand; Stacy Kimbell and Susan Walker, calculator applications.

Winners in the Regional competition (pictured center right) were: Lori Barnes, first in shorthand; Lisa Vickery, third in prose and second in spelling; Susan Capps, fourth in informative speaking; Lisa Jones, second in headline writing.

At the State U.I.L. meet in Austin, Lori Barnes and Susan Capps (pictured at top of page) received third place in their respective events.

Informative Speakers Send One to State Meet

In the speaking events, Susan Capps, Kim Ware, Tricia Hill and Brent Hargis spoke on current topics as informative speakers. Informative speaking is a contest to stimulate an active interest in current world affairs. Susan Capps placed first at District, qualifying her for Regional competition where she received the Alternate to State position. Susan was able to compete in Austin and won the third place bronze medal.

Persuasive Speakers Gain Needed Experience

Persuasive speaking, sponsored by Mr. Bob Bohn, is a contest to train students to analyze a current issue, determine a point of view for himself and then to organize and deliver a speech to persuade his listeners to agree with his viewpoint. Students participating in this event were YoYo Torres, Roger Bateman, Laura Harris and Larry Post. These students were unable to place at District, but they did attain valuable experience for the years to come.

One Advances to State Contest in Shorthand

In shorthand competition, two girls represented White Oak and both advanced to the Regional meet. In District, Lori Barnes won first place while Beth Moyers won third. At the regional meet, Lori again brought home the gold but Beth failed to place higher than fourth. Lori worked hard and as a result, won third place at the State meet in Austin. Mrs. Shirley Stracener is the shorthand sponsor.

Typing Competitors Fare Well at District Meet

In U.I.L. typing competition, three hard-working students represented White Oak at the District meet. Karen Boyett received first place with a perfect paper containing no errors and qualified for the Regional meet. However, the competition grew tough as Karen failed to receive a winning place. Others competing in typing were Nancy Silvertooth and Kelly Cole. The sponsor for U.I.L. typing is Mrs. Janet Hasley.

Two Tie for Alternate Spot in Number Sense

Students participating in U.I.L. number sense found themselves competing against a tough group of determined District rivals. Although no one advanced to Regional, Renee Bennett and Susan Walker tied for fourth place. Susan Capps also participated in number sense. Mr. Bill Rogers is the sponsor of number sense.

Two Attend Regional in First-Year Calculation

A new contest was added this year while slide rule was dropped. Calculator applications was instituted due to the rising use of calculators in today's society. Susan Walker worked hard to master the skills of using the calculator and won second place at the District meet for her efforts. Stacy Kimbell also won third place at District. Both girls advanced to Regional where Stacy received alternate to State and Susan Walker received sixth place. Brad Crittenden also competed in calculator applications. Mr. Bill Rogers is their sponsor.

One Places Second in District Ready Writing

Three girls represented White Oak in the ready writing contest at the District meet. Cheryl Colteaux, Beth Moyers and Lisa Jones were contestants with Lisa winning a silver medal, qualifying her for Regional competition. At regional, however, she failed to place in the top three, but did receive seventh place. The sponsor of this event is Mrs. Glenda Moeller.

Spellers Advance One to State Meet in Austin

Students participating in UIL Spelling were Lisa Vickery, Brenda Robinson and Theresa Webb. At district Lisa Vickery earned a gold medal and went on to win another first place at Regional. At State Lisa finished fourth. The spellers were sponsored by Mrs. Lynan Day.

Science Students Aid Overall District Standing

Students participating in U.I.L. science competition were Kelly Burks, Brad Crittenden, and Stacy Kimbell. Brad received second place at District while Kelly placed third. Regional competition proved tough as Brad failed to place. The group gave White Oak twenty points towards the overall standings at the District meet. Mr. Vernon Eastepp is the sponsor of U.I.L. science.

Journalism Sends One All the Way to State

Of the five contestants in U.I.L. District journalism, Susan Capps won first in editorial writing and second in headlines while Brad Crittenden received second in newswriting. Lisa Jones received third place in headlines and alternate in feature writing while Renee Bennett won the alternate position in editorial writing. Also competing at District level was Lisa Vickery. At regional Lisa was the only one to receive a winning place as she won second in headlines, qualifying her for State competition in Austin. Mrs. Vera Porter is the journalism sponsor.

Two Teams Qualify for Regional Debate Meet

The debate team represented White Oak well as two teams advanced to Regional competition. Kim Carter and Kelli Kirkland received a second place finish at District level while Chuck Hope and Gene Torres won third. At Regional, however, both teams failed to place but made a good showing as a young, inexperienced debate team. Other team members were Carrie Barnes and Kim McCardle. Mrs. Billie Lofton is the debate sponsor.

Prose and Poetry Sends One to State Again

U.I.L. District prose competition gave Lisa Vickery a second place finish. At Regional, Lisa placed third, qualifying her for the State contest where she was unable to place. For her efforts, Lisa was named "Best Prose" speaker at White Oak High. This was Lisa's second year to participate in prose at State. Other prose contestants were Michelle Bolls and Dawn Morales. Poetry contestants were Debbie King, Reggie Hanberry and Tina Humphrey. District competition proved to be tough as no one was able to place. Mr. Kelly Cox is the sponsor of these events.

One-Act Play Earns Literary Winning Points

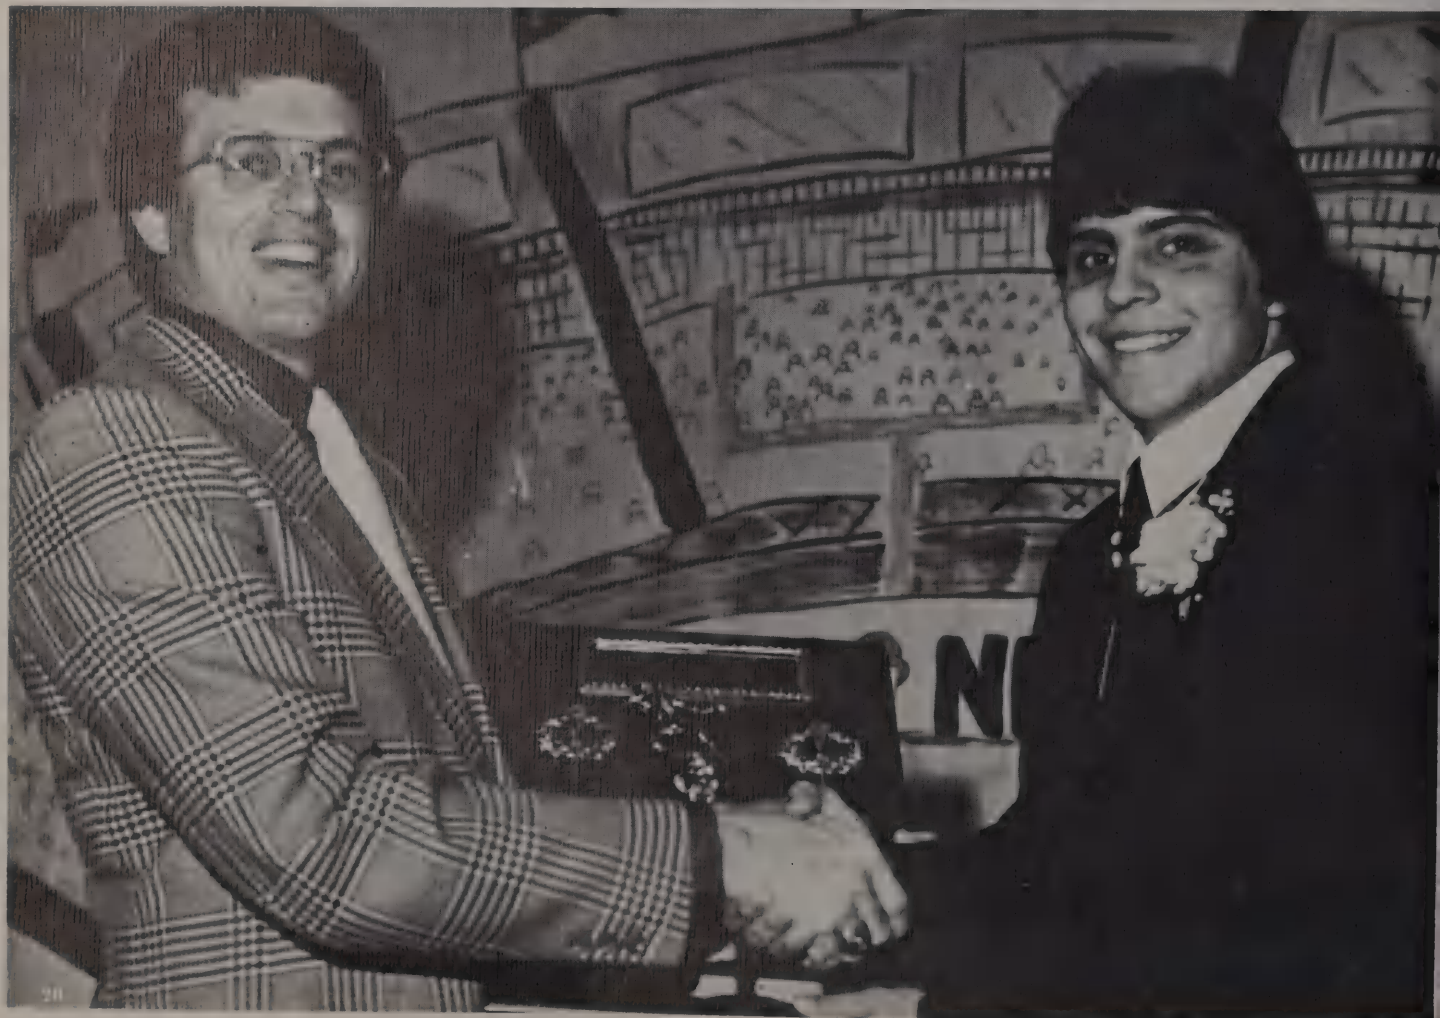

The Drama Department chose as their U.I.L. One-Act Play, "The Torchbearers", a comedy about the back-stage blunders of an amateur drama troop. The play was a first for drama students and tested their abilities in movement, projection and diction. At District competition, White Oak received third place behind State qualifiers Lindale and Mineola. Although the play did not advance, it gave the total literary standings enough points to win the literary championship. Named to the All-Star Cast at District were Lisa Vickery, for her portrayal of Mrs. Pam-pinelli, and Timmy Ragsdale, Honorable Mention, for his role as Huxley Hosse-frosse. The One-Act Play is sponsored by Mr. Kelly Cox.

Parents, Faculty Recognize Athletes at Sports Banquet

"Year of the Necks" Proves Victorious With District Title

The Varsity Roughnecks, under the direction of coach Bill Moore, recorded a winning season tally of 9-1 as they became 16AAA District Co-Champs. The Necks shared the title with Gilmer, who represented the district in bi-district play after a 0-3 Roughneck loss. Although they lost the opportunity to advance beyond district, the Necks brought back the Roughneck pride and winning tradition to White Oak as fans, players, and student body alike united in support of their team.

The 'Necks' pre-season began with a 26-0 win over Winnsboro, the team picked to win district in their division. The 'Necks' next game was against arch rivals Spring Hill. The game was a "must" for the 'Necks and they rose to the occasion with a dust-biting 15-0 win over the Panthers. The Roughnecks wrapped up pre-District play with a sounding defeat over the Sabine Cardinals, 40-0.

As the district opened, the 'Necks boasted an unblemished mark of 3-0. The Whitehouse Wildcats were the 'Necks' first stepping stone as they carried on their perfect record by defeating the 'Cats 35-0.

Riding high, the 'Necks met up with, pre-season District pick, Quitman. The Bulldogs were quickly annihilated as the 'Necks pulled off a 59-6 victory before a capacity crowd. The 'Necks then traveled to Brownsboro in hopes of building their already perfect record. The Bears fought hard before a Homecoming crowd, yet the 'Necks won again by a score of 42-7. Lindale was the 'Necks' next foe as the Eagles faltered and lost 17-0.

The 'Necks then met West Rusk on home territory where the Raiders came on strong. But the attempt was futile as the 'Necks, looking onward towards Gilmer, were victorious in a 13-6 bout. The 'Necks finally met up with the ultimate challenge-Gilmer. Each team was undefeated in District play and the District title was on the line. When the game was over, the 'Necks had won everywhere but on the scoreboard as the Buckeyes won by a field-goal, 0-3. When all had seemed lost, the 'Necks regrouped and held heads high as the last game was played at home against Mineola. The 'Necks, led by 22 Seniors, played to a 20-0 victory over the 'Jackets.

Over-all, the Roughneck accumulated a total of 267 points for the year while giving up only 22 points. Coach Moore was named Coach of the Year by Longview Daily News for his outstanding coaching and leadership throughout the season. Sixteen Varsity Roughnecks placed on All-District teams. Scott Milholland, Gary Jones and Tracy Blankenship unanimously made the first Team on offense. Named to the first team on defense were Mike Pullen, Brit Phillips, Tracy Blankenship, Bervick Anderson, and Tony Roberts. Kevin Ellis, Jeff Lynn, and Marty Fenton made second team offense while Tim Ragsdale, Jeff Barlow and Chris Jennings were named to second team defense. Preston Tucker was recognized with Honorable Mention on offense, while Kevin Koonce and James Pinchback made Honorable Mention on defense. Tracy Blankenship and Tony Roberts were named to the All East Texas team.

Volleyball Ladynecks Receive State-wide Tourney Recognition

The Varsity Ladynecks posted a season tally of 14-15 overall, and 2-5 in district play. Led by first year Coach Mary Ann Underwood, the Ladynecks began the year's schedule trying to gain needed experience and confidence. Strenuous work-outs and determination helped the Ladynecks build together. They became the first White Oak team in 3 years to place in a tournament after receiving a second place trophy in the Hallsville Tourney. The tournament gave them state-wide recognition as the Ladynecks were among the top 20 teams in the state. The team went on to win the first place trophy in the Tatum Tournament, and the third place honor in the Sabine Tourney. The team entered the District Tournament on the wings of a winning record and managed a third place tie with Gilmer after losing to District Champs Whitehouse. Seniors Chris Smith and Renee Bennett were awarded second team All-District honors for the year. High point scorer for the year was Renee Bennett with 148 pts., followed by Chris Smith with 140 pts., Connie McGee with 114 pts.. Other members of the team included Dana League, Cheri Vanderslice, Kelly King, Lisa Jones, Teresa Miller, Sandy Pullen, and Kristy Small.

JV Volleyball Team Strives to Improve For Varsity Level

The J.V. Volleyball team, coached by Mary Ann Underwood, gained needed experience throughout the season. They also improved on the all-important fundamentals of the game, completing their season with an overall record of 9-10, and a district record of 3-4. Their season was successful in preparing them for future Varsity play.

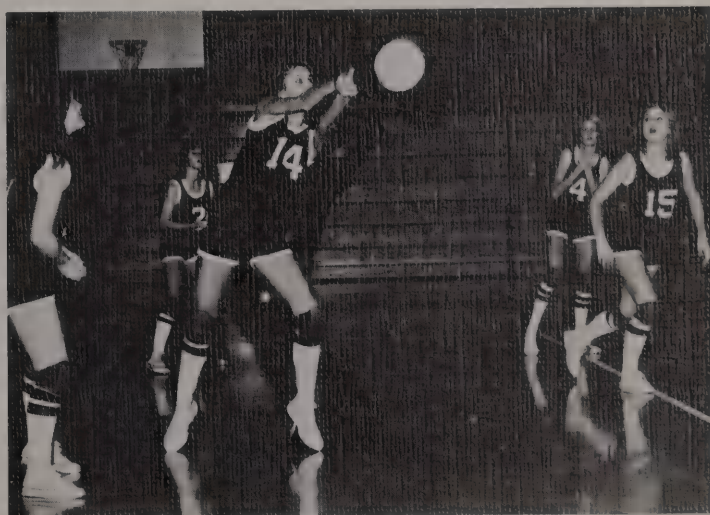

High Point scorers for the season were Paula Miller with 127 points and Lisa Jennings with 113 points.

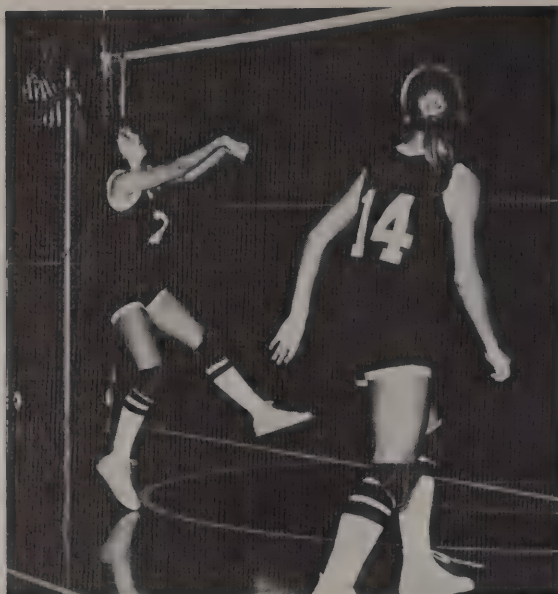

The Freshman team did well this season. Their coach, Robert Cummins, stressed conditioning and they proved to be in good shape. They developed the basic skills needed to acquire perfect form and concentration.

Varsity 'Necks Dedicate Season to Fred Sutton

Under the direction of Head Coach Dan Noll and Coach Glynn Hughes, the Varsity Roughnecks carried on the winning tradition and made excitement and pride their trademark. The 'Necks ended their season with an impressive record of 19 wins and 11 losses and placed third in district with a record of seven wins and seven losses.

The team was led by mostly seniors Kevin Sutton, Kevin Koonce, Mike Crossland, Timmy Harris, Gary Jones, Mark Parish and Brent Hargis. Junior lettermen were Bobby Dyess and Zack Klotz who lent a hand in the 'Necks winning ways. Late comer sophomore Clifford Anderson rounded out the Varsity team.

In one of the 'Necks biggest battles, they showed determination and proved to the home crowd that they "believed" as they defeated the Brownsboro Bears with two seconds remaining in the last quarter. Later in the season the 'Necks defeated the Gilmer Buckeyes with just seconds left in the game. The 'Necks kept alive their winning tradition and their efforts brought them closer to their goal of 19 wins.

The team also participated in three tournaments, receiving third in the Spring Hill Tourney, second in the White Oak Tourney and third in the West Rusk Tourney. Kevin Sutton received All-Tourney honors in all three tournaments. Bobby Dyess was named to the All-Tourney team at Spring Hill, Timmy Harris at West Rusk, and Kevin Koonce at the White Oak Tournament.

Junior 'Necks Strive Forward to Varsity Level

The Junior Varsity basketball team posted a fair season with a record of 12 wins and 16 losses. The team attended two tournaments, one at West Rusk and one at Lindale. At the West Rusk tournament, the players strived hard to finish second, but failed to place at the Lindale tourney.

In District competition, the 'Necks finished with a 7-7 record.

Desire, Discipline Lead Frosh Team to 14 Game Wins

Coming back from an eighth grade season record of two wins and eighteen losses, the freshman basketball team led by coach Ken Terry could only improve. After their first two games they had already matched their previous win column and continued on the victory march. In the West Rusk and White Oak tournaments, they earned the second place trophy. Then in district, they came out with a record of 4-3. For the season, they finished with fourteen wins and six losses. According to one player, the keys to their success were discipline and determination, discipline to work for their goals and determination to achieve them.

Varsity Girls "Pop the Net" to Place Third

The Varsity Ladyneck Basketball Team set high standards as they won more games than any girls' team had in the past. The Ladynecks, instructed by first year coach Sam Nichols, had an over-all record of 19 wins and 11 losses. In District the girls placed third with a 7-7 record. The Ladynecks tried hard to achieve their goals they set at the beginning of the year. The key word to success was discipline. The season went well and high expectations are anticipated for next year, since all players will be returning.

Tournaments were of great importance throughout the season as the Ladynecks gained the playing experience needed before District action began. The team travelled to Waskom and Spring Hill tournaments, where they placed third in both. In the White Oak Tourney the girls placed second. Alisa Hawkins received All-tourney honors at each of the tournaments. Marion Davis was awarded all-tourney at the Spring Hill Tournament and Teri Vaughn received honors at the White Oak Tournament.

Four Ladyneck team members achieved All-District ranks for the season. Deborah Carr and Alisa Hawkins were positioned on the 1st team and Marion Davis and Teri Vaughn were elected Honorable Mention.

The team consisted of Alisa Hawkins, Hope Pruitt, Marion Davis, Dana League, Teri Vaughn, Lisa Bodovsky, Tina Humphrey, Deborah Carr, Shelly Johnson, Angie Roberts, and Lisa Jennings.

Junior Varsity Lady 'Necks Finish as District Co-Champs

With a 19-7 season record, the Junior Varsity team tied for co-championship honors. Their district record was 11-3.

First year coach, Mrs. Mary Ann Underwood, trained the girls in every aspect of the game in preparation for varsity play. Members of the team (pictured below) were Renita Newsom, Janet Horton, Kristy Small, Connie McGee, Charlotte Arnold, Pennie Davis, Phylis Nelson, Lisa Moore, Paula Miller, Kim Ogletree, Kim Ware, Melanie Cole and Kim Carter, Kellie Carr and Debbie Holman.

Tracksters Place Second With Heads Held High

"All good things must come to an end" as the Varsity Roughneck track team felt the agony of defeat after losing the Championship title breaking a 16 year consecutive winning streak. But even in the midst of defeat, the 'Necks came out as winners, sending eight people to Regional and one to state.

The field events were considered to be the "pulse point" of the track team and perhaps the key to yet another victory. Staving off stiff competition from Gilmer and Whitehouse proved a tough challenge but the 'Necks prevailed with a total of 51 points going into the running events. Ron Bailey and Marty Fenton won second and third place respectively in the pole vault event with Ron clearing 13-6. Don Bailey finished fourth. In high jump, Jeff Barlow and Brit Phillips nabbed both the gold and silver medals giving White Oak a substantial lead. Sophomore sensation Clifford Anderson and senior veteran Jeff Lynn claimed second and third in the long jump while Tracy Blankenship received

sixth place in the weight event of discus. At this point, the 'Necks seemed to work magic as Gilmer and Whitehouse looked on with amazement.

In the running events, the sprint relay team (Kevin Ellis, Clifford Anderson, Jeff Lynn, and Bobby Dyess) won second place. Jeff Barlow went on to win the silver medal in the high hurdles. But while the 'Necks were gaining a foothold, Gilmer was putting more coals on the fire and slowly passing the Necks. The distance events brought points as Robert Evans was able to win fifth in the 3200 meter run and sixth in the 1600 meter run while Brad Crittenden won third in the 3200 meter run. With the mile relay team the last event, it seemed the 'Necks had lost the elusive title. But the 'Necks did win second place, beating out district rivals Whitehouse and setting higher goals for the years ahead. Head Track Coach James Martin led the Roughnecks through a very successful season.

Frosh Tracksters Prove Promising for Future Years

The Freshman Track Team competed in four track meets for the season. The 'Necks placed fourth in the Spring Hill meet, fourth in the G and W relays, second in the Roughneck Relays and finished third in the District meet at Whitehouse. One member of the team commented that the team overcame great obstacles this year and competed well throughout the season considering there were only nine people on the entire team. The team members were stretched throughout all the track events and still managed to place respectfully in all meets.

Ladynecks Send Three to Regional

The Ladynecks lifted weights on Mondays and Wednesdays and ran on Tuesdays, Thursdays and Fridays to train for track season. Four meets filled their schedule which concluded with the District Meet at Whitehouse. Three girls (pictured right) qualified for the Regional Meet: Alisa Hawkins, high jump and 800 meter run; Debbie Carr, 800 meter run; and Alicia Bolls, 3200 meters. Alisa placed third in the Regional Meet held in Commerce.

Lady Golfers Face Stiff District Competition

The lady golfers coached by Dan Noll putted their way to a fifth place finish in the District meet. The girls played 18 holes against stiff competition from Lindale, Mineola, Gilmer, and Brownsboro. Donna Puckett, Cheri Vanderslice, Kelly King, Jessica Klotz, Sue Ellen Carpenter, and Mary Briggs made up the girl's golf team.

Tennis Teams Look Promising for the Future

The 1980-81 Roughneck Tennis Team.

The varsity tennis teams showed great promise for the future with two boys advancing to Regional competition. Scott Milholland and Vandy Vanderslice received first and second place at District competition in boy's singles after playing against each other in the final set. In boys' doubles, Larry Post and YoYo Torres won third place. At the Regional meet held in Commerce Vandy and Scott played well and Scott won his first match, but both boys failed to advance to State. For their efforts, the boys' varsity tennis team earned a first place tie with Gilmer to give them the title of District Co-Champs. Others competing in tennis were; Harry Goss and Scott Sirmans, doubles. With only one senior leaving the team, next year's team should be experienced to meet the challenge of being at the top. In the girls' varsity tennis division, the competition was tough as no one was able to receive a winning place. Competing in doubles were; Jami Sanford and Connie McGee, and Sharon Robinson and Melanie Cole. Those in singles included Lisa Odom and Nancy Silvertooth. In the Junior Varsity tennis division, three people received a winning place in district. Scott Anderson and Sam Cannon won first place in boys' doubles while Lisa Jennings won first place in girl's singles. Others competing at the J.V. level were; Roger Milholland and Sid Anderson, doubles, Brenda Robinson and Judy Nolan, doubles, and Kelly Rawlings, singles.

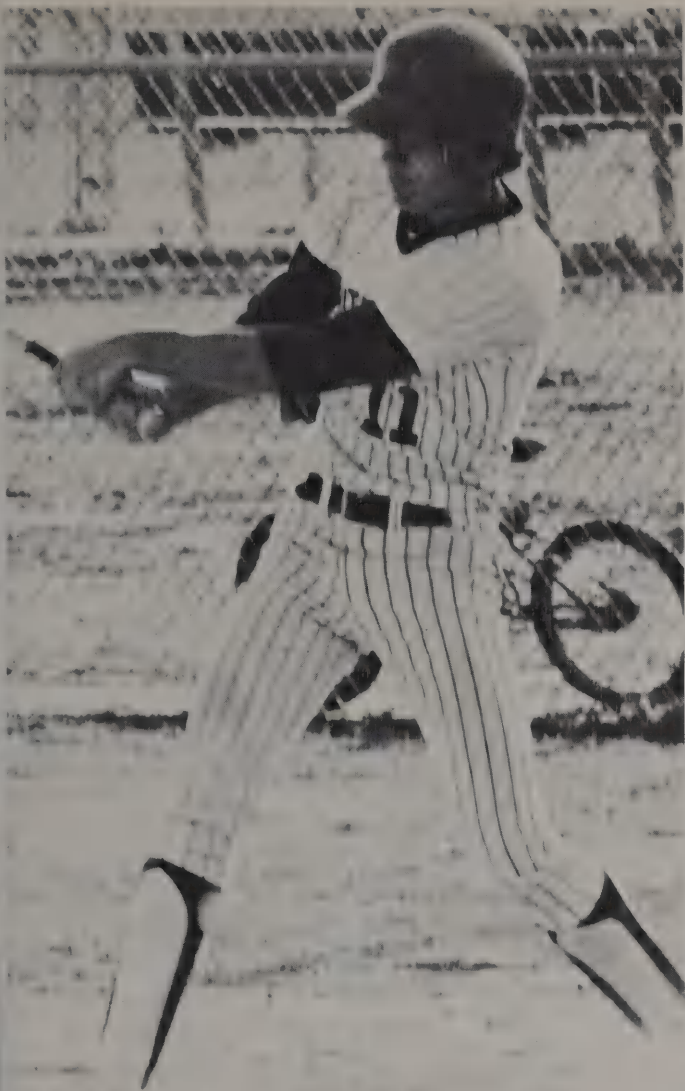

Baseball Team Hustles, Boasts Winning Season

Though the season did not exactly fulfill the high expectations that were set in the minds of the coaches and players, it was a highly successful one. This year's team was one of the best baseball teams in many years.

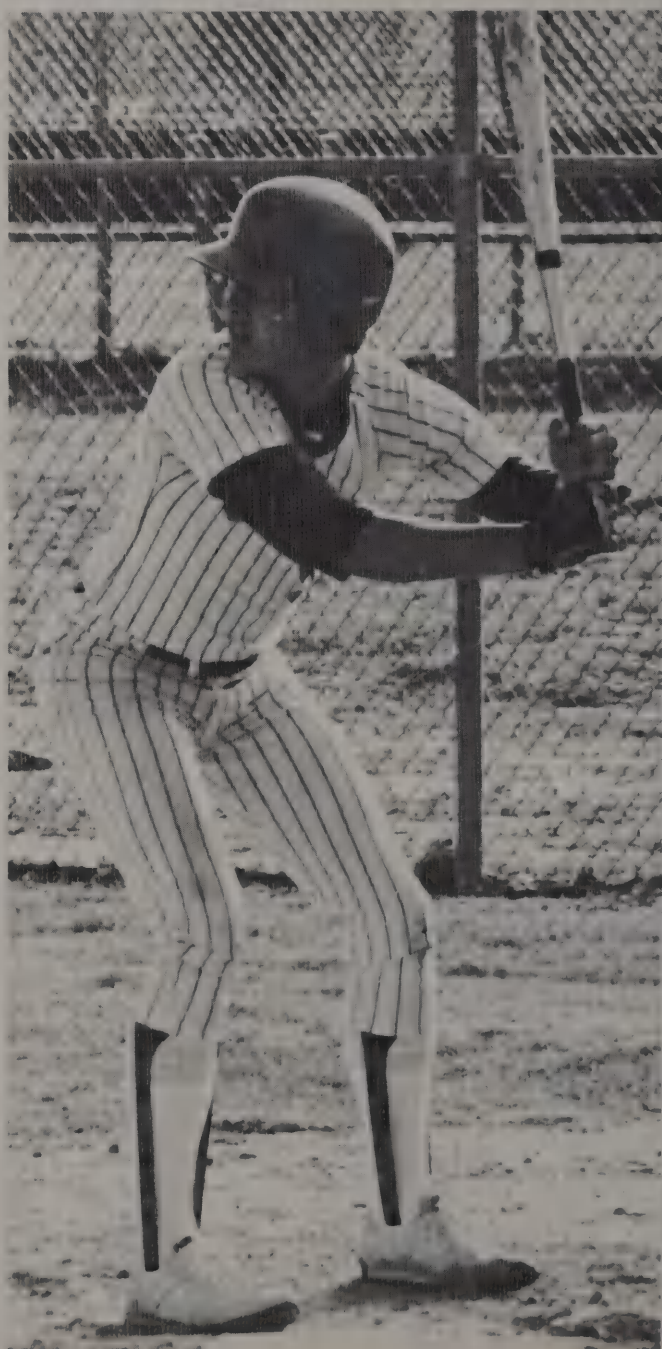

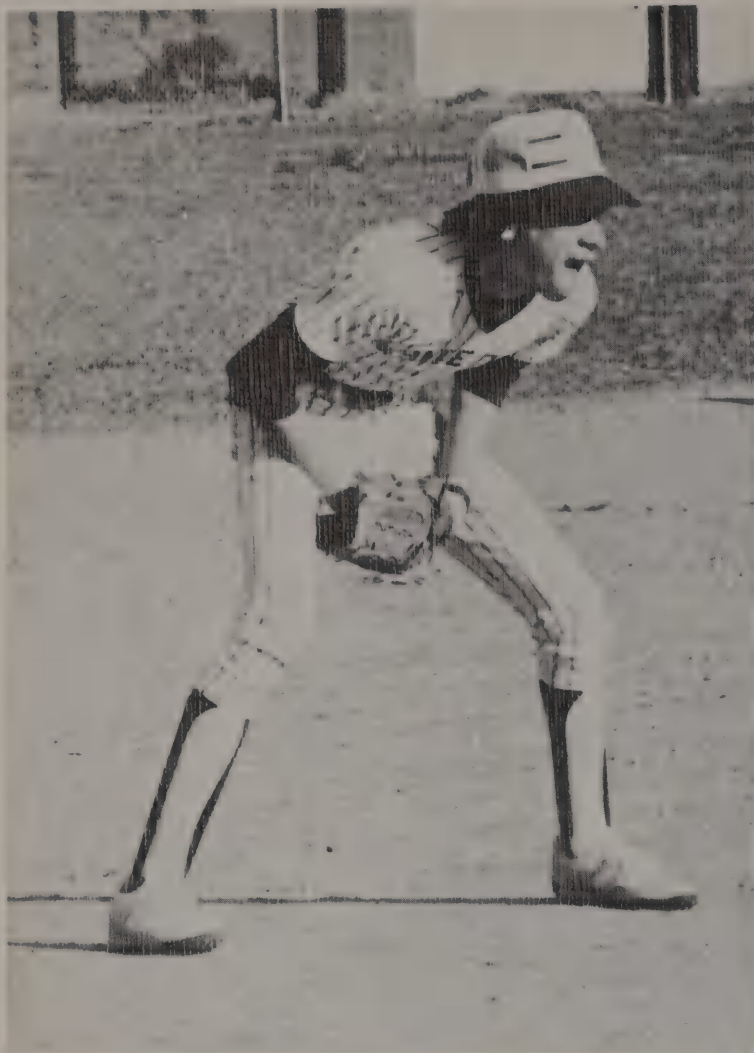

Under first-year head baseball coach, Ken Terry, the team started off the season by winning four straight games, but fell to Brownsboro in the fifth. The loss was one of only five. They went on to gather a district record of 9-5 and held a season record of 12-7. At district the team finished third in strict district competition.

ORGANIZATIONS

Student Council Begins Tradition of SC 'Fun Day'

The Student Council, sponsored by Jack Hale and later Bob Bohn had a fun-filled, eventful year. The council included Preston Tucker, president; Renee Bennett, vice president; Brent Hargis, second vice president; Lori Barnes, secretary and Jessica Klotz, treasurer. They began their duties a week after they were elected by touring eighth grade students through the high school building.

The council attended summer camp at Stephen F. Austin and brought home with them several bright ideas on student involvement. The group held spirit week during football season and led a canned food drive at Christmas. The council also presided over all student assemblies (pictured bottom left). On Valentines Day, the group sold carnations throughout the elementary and high school. The highlight of the year was the end-of-the-year Fun Day. They began a tradition for years to come, ■■ they matched grades against each other in a battle of the best class. The different events were judged on a point system. The events included dirtiest hall (pictured center), cleanest hall, beach ball passes (pictured right center), balloon races, shark game (pictured lower right) and many others. The winning class, the sophomores, received a first place trophy with the seniors receiving ■ trophy for second, juniors for third and freshmen for fourth. Throughout the year, the staff scheduled pictures, planned layouts, wrote stories, cutlines and headlines as they sought to meet each of the four deadlines. They also sold yearbooks (bottom right) in March on all three campuses.

If not for the following girls, this annual could not have been pieced together. The members of the staff (upper right) include Teri Vaughn, Sandy Pullen, Lisa Jones and Dana League.

Gauger Staff Scopes Out All School Activities

The Gauger, published bi-weekly, covered all aspects of student life from elementary to high school. Susan Capps, editor (top) attended the Southern Methodist University Journalism Workshop and was awarded the Outstanding Advanced Newspaper Student.

Photographers Snap the Shots of Year's Events

The photography club assisted the Journalism Dept. by supplying pictures for both The Gauger and The Roughneck staffs. Cheerleaders Add Special Touch To 'Neck Spirit

The 1980-81 cheerleaders created an atmosphere of enthusiasm and raised spirit to its peak as a successful season was reached in each sport. This year's eight cheerleaders proved to be one of the best squads as they came home from camp with five Superior ribbons and a "Super Squad" ribbon. The girls were also awarded the Spirit Stick, a top honor for only eleven squads out of a field of seventy, by showing the most spirit throughout the day.

The group has been very active since their first week as cheerleaders. A dance number was performed at a Variety Show and later performed for judges at camp. To raise money, the girls held two car washes and used the proceeds to give kool-aid and cake to the football team.

The cheerleaders also proved to be very imaginative and exciting with activities such as a black-light pep rally, snake dance, and hall pep rallies each morning.

This year's cheerleaders served their duties proudly and kept spirit alive.

Cheerleaders Spark Spirit in Frosh, J.V.

The Freshman Cheerleaders worked hard to promote school spirit as they cheered for both the Freshman and Junior Varsity teams. The girls held hall pep rallies, painted signs and organized lunch pep rallies to prove their enthusiasm and support of the teams.

Cheerleaders for these two teams were Lisa Jennings, Pennie Davis, Kim Ware and Shelley Powell. The co-sponsors for the squad were Mrs. Majorie Wolff and Mrs. Judy Spivey.

Hard Work Ends Successfully as Band Wins Sweepstakes

The 1980-81 school year turned out to be a memorable one for the White Oak Roughneck Band. Under the leadership of band director Charles Parsons and the field direction of drum major Lori Barnes, the band began practicing marching skills early in August. Upon the start of school, the results of these practices were seen in the band's halftime performances at the Roughneck football games. Two-and-a-half hour practices on Monday and Tuesday nights became routine for band members as they prepared for the U.I.L. Marching Contest. On October 25, they demonstrated their skills at the H.E.B. Marching Contest in Fort Worth. Though they received a II rating, they took home two trophies. Lori Barnes was awarded Best Class AAA Drum Major and the twirling line was named Best Auxiliary Group in Class AAA. On November 11, the U.I.L. Marching Contest was held in Texarkana. The hard work and extra practices paid off as the band received a I rating and were named Outstanding Band Class AAA.

With marching season out of the way, many band members began working on All-Region music. Tryouts were held on December 4 and eleven W.O. band members were named to the All-Region band. These were

Tricia Hill, Anita Bush, Kathy Williams, Stacy Kimbell, Stewart Jenkins, Kelly Burks, Sheri Webb, Melinda Lain, Nancy Silvertooth, Kelly Rawlings and Susan Walker. Of these (pictured at left), Stacy Kimbell, Kelly Rawlings and Melinda Lain qualified for Area competition at which Melinda placed as State alternate.

After a welcomed Christmas vacation, band members came back ready to work under the leadership of Val Rose, who became band director upon the resignation of Charles Parsons. The first weeks back were spent moving into the new band facilities and work was begun on music to be performed at the U.I.L. Concert Contest. On February 20, five band members attended the Solo and Ensemble Contest. Four soloists received a I rating and qualified for State competition. These were Stewart Jenkins, Stacy Kimbell, Kelly Burks, and Susan Walker. On March 11, the band performed at the U.I.L. Concert and Sightreading Contest and received a unanimous I rating. They were awarded a Sweepstakes trophy for receiving a I in the marching, concert and sightreading contests. The band entertained a large crowd at a spring concert on April 7, wrapping up the '80-'81 year.

Activities Bond Graduates With Lasting Memories

Senior Week is a time that all seniors look forward to as they realize it is their last chance to bond lasting relationships for life. The class worked very hard at raising enough money to pay for the various activities ranging from the traditional trip to Six Flags to Crystal Beach. Seniors also banded together for a pizza feast and movie along with a night of miniature golf. The week provided each and every Senior with memories of good times and good friends as the end of a long, hard struggle for an education came to an end.

8th Grade Excels Under More Difficult Play

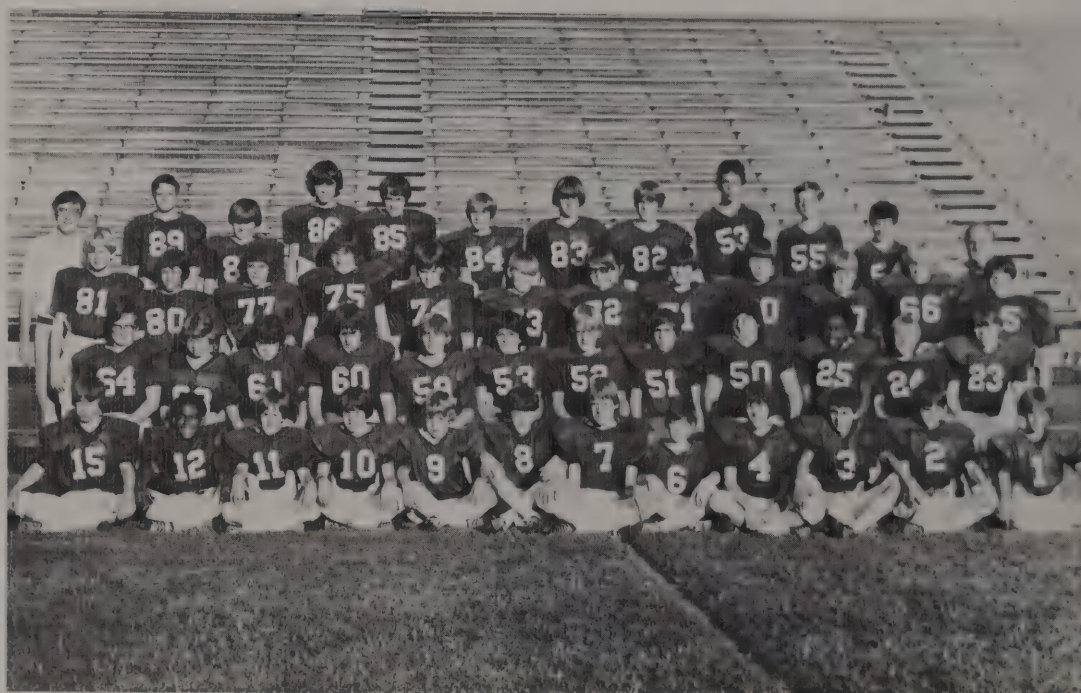

The Eighth grade Jr. Necks, coached by Bud Martin, ended their season with a 2-6 record. Coach Martin was pleased with his players' performance and spirit. Fundamentals were the main goal as each player was given a chance to play. When asked his opinion of the season, Coach Martin said, "Basically we wanted to teach the fundamentals and to get the boys interested in football."

The 1980 Eighth Grade Football Team.

7th Grade Football Players Learn the Ropes

The seventh grade Roughnecks were also coached by Bud Martin. In their only two games the Necks were victorious over Spring Hill. Coach Martin stated, "The seventh grade had a short but good season, and they should have many good years ahead as Roughnecks."

8th Grade V-ball Team Meets Tough Season

The eighth grade volleyball team had stiff competition this year. Their season ended with 2-6 record in district play. Although the girls lacked a winning season, they gained experience and learned the basic fundamentals needed for high school level competition. Johnita Anderson was the high point scorer for the season with 31 points, followed by Angie Pilgrim with 25 points. The team, under the direction of Coach Diane Williams, learned many skills, to this was the first of many successful seasons to come.

Eighth Graders Gain Experience, Needed Skills

The eighth grade Roughneck Basketball team (pictured right) had a win-loss record of 4-8 for the season. The team not only practiced on perfecting their skills this year, but worked on the art of coordinating plays.

The leading scorers for the season were Chris Ogden and George Whitley. The best defensive players for the team were Brett Carr and David Burks. The leading rebounders were Chris Ogden and Jay Stevenson.

Middle Left: Terry Harter makes his move towards the goal. Middle Right: George Whitley passes off the ball from out-of-bounds. Bottom Left: Doug Burks signals for the ball. Bottom Middle: Mike Barlow springs high for the jump shot. Bottom Right: Jay Stephenson shoots his free shot with perfect form.

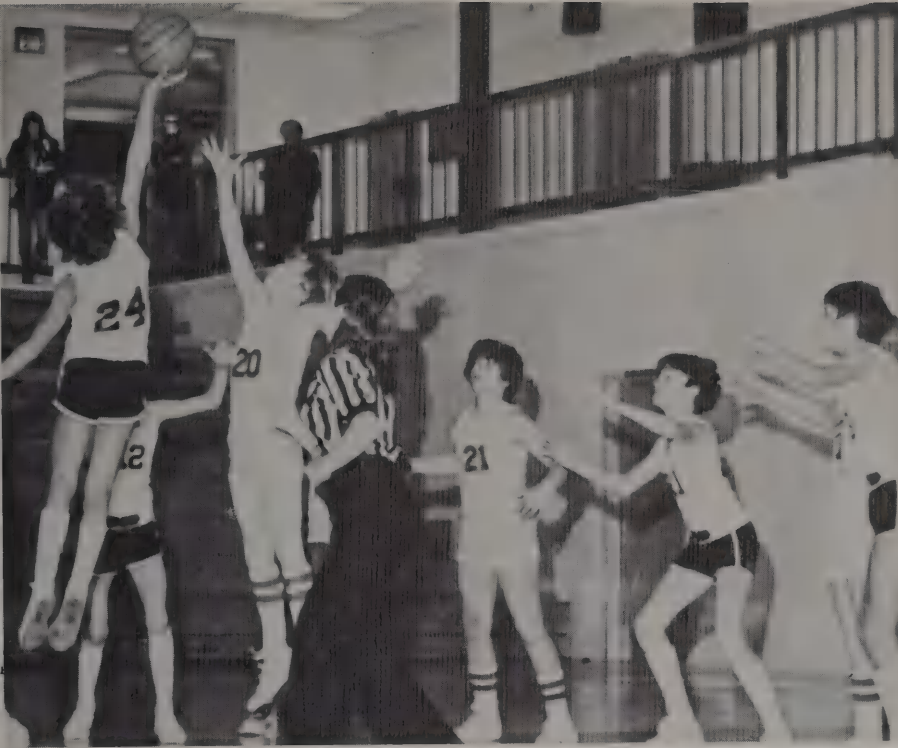

Seventh Graders Learn Necessary Fundamentals

The seventh grade Roughnecks got off to a slow start for their first competitive season of basketball. They had a season of record of 2-8. This is not unusual however, because much of their time was spent on learning new skills that are essential to a higher level of play.

The leading scorers on the team were Robert Lynn and Monte Talent. The best defensive players were Jon Carr and Steve Morales.

Top: Team members await the results of the tip. Middle Left: Seventh grade players move in for the rebound. Middle Right: Junior High 'Neck rebounds the ball and heads down the court. Bottom Right: Monte Talent watches for signals while dribbling down the court. Bottom Left: Robert Lynn springs high for the jump ball.

Basketball Girls Easily Achieve Victorious Season

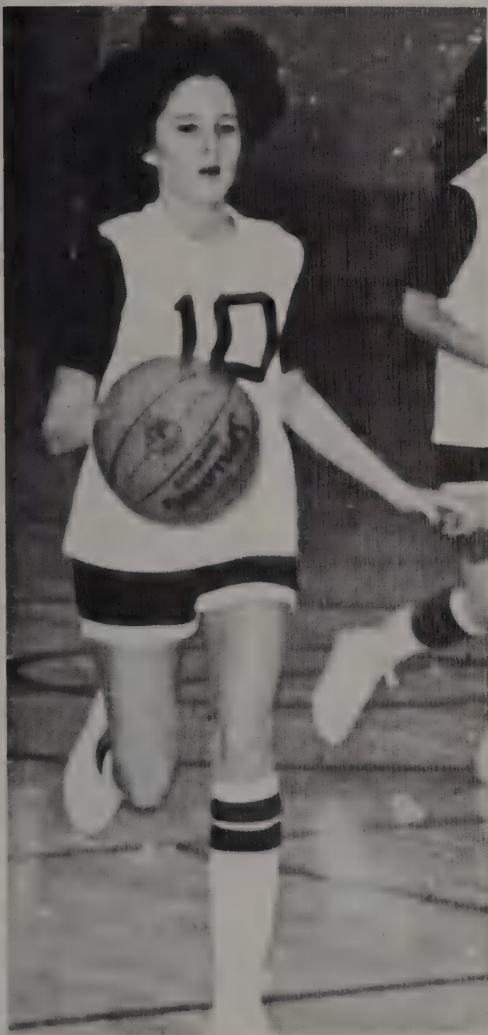

It was obvious that the 8th grade Ladynecks, coached by Diane Williams, gained confidence and sharpened up on their skills this year. They had a commendable season record of 10 wins and 3 losses. Valuable playing experience came from the two tournaments that the Jr. Ladynecks participated in. In their own tournament held at White Oak they placed second. They made a remarkable showing also at the Hallsville tournament where they received first place honors.

Seventh Grade Basketball Girls Dribble to Creditable Season

Coach Diane Williams led the seventh grade Ladynecks through a creditable season as the girls earned a record of 3-7. The girls began workouts soon after school began and worked diligently to prepare themselves for season action. To highlight the Ladynecks' season, the girls placed second at the White Oak Tournament.

Seventh Grade Tracksters Build Endurance

The Seventh Grade Junior Ladyneck track team competed in five meets this season including the district meet. In their first meets at West Ruck and Spring Hill, they failed to place. They went on to make a comeback by placing third in their own Ladyneck Relays and second in a triangular meet. They combined with their eighth grade teammates for one meet at Spring Hill and placed third. In district the seventh grade did well on their own with a second place finish.

The seventh grade track team had a rewarding season that consisted of five meets. The season was highlighted mostly by a first place finish in their own Junior Roughneck Relays.

The team was off to a slow start with their first track meet of the year at Sabine where they finished in sixth place. At the next two meets, which were held at Spring Hill and West Rush, the team improved considerable to finish second in both meets. Next came their first place victory at the Junior Roughneck Relays.

The seventh grade team went on to capture third place at district following the tough competition of Gilmer and Whitehouse.

Eighth Grade Track Team Wins Girls' District Crown

The eighth grade girls track team completed their season with high accomplishments, by being rewarded with the District crown at Whitehouse by four points. During the season, the team competed in four meets. Two of the meets were at Spring Hill where the Ladynecks failed to place. They captured second place, however, at a White Oak triangular meet and went on to place second. Then at the district meet, it took the mile relay to win and beat West Rusk to capture the District championship by four points.

Cheerleaders Ignite Spirit in Middle School

Middle School spirit was high this year as cheerleaders and pep squad boosted enthusiasm and excitement. The Middle School pep squad provided extra spirit at all seventh and eighth grade home games as well as those played away. The Cheerleaders were seventh graders Wendy Wise, Christy Stephens and Kelly Pepper and eighth graders, Shannon Powell, Kim Grubbs and Tina Dymke. Diane Williams sponsors the group.

MS Student Council Sponsors Fifties, Hat Days

The Middle School Student Council (pictured left) aided the student body throughout the year by making available paper, pens and pencils for those students who needed these articles. The council hosted first a Fifties Day and later a Hat Day to boost school spirit and students outlook on school life. The council was responsible for the annual Christmas tree which decorated the entry hall. Officers were (pictured below): Susan McCoy, secretary-treasurer; Dianna Bodovsky, president; Karen West, vice president and Mrs. Sarah Salter, sponsor.

M.S. Library Club Plans Full, Exciting Year

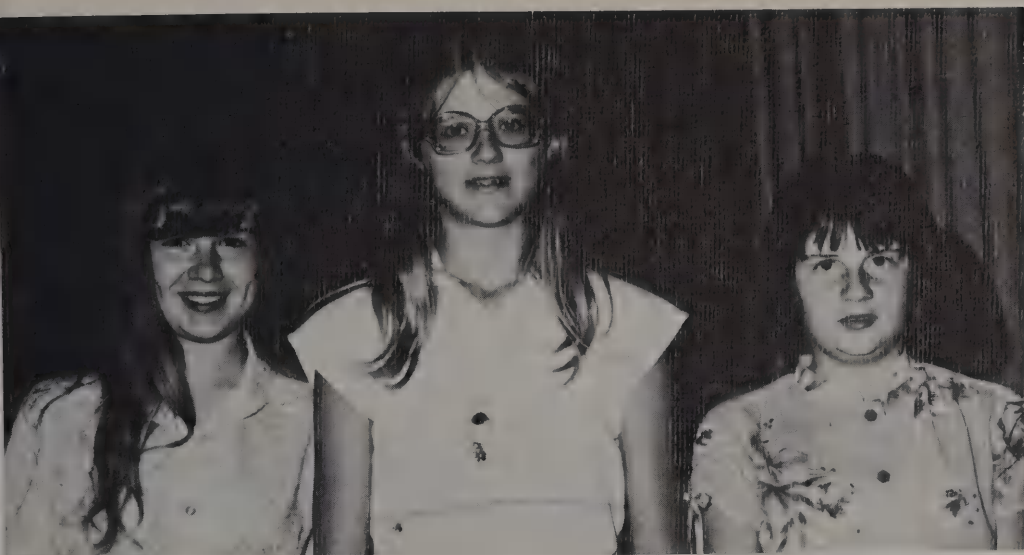

A full schedule of events and activities highlighted the year for the Middle School Library Club. The club, who began the year with 11 members, provided the library with constant help throughout the year. The group met once a month to discuss upcoming activities, which were many, beginning with installation of club officers. Club members attended the district TALA meet, made bookmarks and posters for "Book Week", held a Christmas party and citizenship program, delivered valentines, attended a book review by Mrs. Thomas on "Watership Down", and held a faculty tea for all Elementary and Middle School teachers and administrators. The club also organized a school-wide contest during "Book Week" to determine the most favorite book of the students. "Old Yeller" and "Charlotte's Webb" were among the top favorites as were "Up a Road Slowly", "Boxcar Children", and "Treasure Island."

Outstanding M.S. Band Awarded Sweepstakes

The Middle School band began the year by learning fundamental marching skills under the leadership of band director, Gene Parker and the field direction of Drum Major, Karen West. The band gained valuable experience by performing halftime drills at many of the Middle School football games. Three Middle School band members were named to the Junior High All-Region band. Soloists and ensemble members brought back a total of 54 medals from the UIL Solo and Ensemble contest. To complete a successful year, the band received a Sweepstakes trophy in recognition of straight I's in UIL competition.
